### For Immediate Release

## WOCNCB Announces New Testing Partnership

**Milwaukee, WI July 6, 2010** The Wound, Ostomy, and Continence Nursing Certification Board (WOCNCB®) is pleased to announce its new testing services partnership with Castle Worldwide, Inc. (Castle), of Morrisville, NC.

According to Diana L Gallagher, MS, RN, CWOCN, CFCN, the WOCNCB Board of Directors selected Castle as its new testing partner because of Castle's focus on candidate customer service and user-friendly technology, including online candidate access to application and credentialing status information.

Applications are already being processed by Castle, and beginning on October 1, 2010, certification and recertification examinations will be offered through Castle's computer-based testing network of more than 450 domestic (U.S. and Canada) test centers and over 200 international testing centers. For more information about Castle Worldwide, Inc. visit [www.castleworldwide.com](http://www.castleworldwide.com).

### About the WOCNCB

The Wound, Ostomy and Continence Nursing Certification Board is a professional organization dedicated to providing consumer safety and protection by offering credentialing in the areas of wound, ostomy, continence and foot care nursing to registered nurses who meet WOCNCB's stringent qualifications and pass its certification examination. WOCNCB certified nurses provide quality care to patients in a variety of settings, including hospitals, long-term care facilities, and home healthcare. The WOCNCB has certified more than 5,800 nurses worldwide. The WOCNCB's Wound, ostomy and continence certifications are accredited by the National Commission for Certifying Agencies and the Accreditation Board for Specialty Nursing Certification, formerly the accreditation committee of the American Board of Specialty Nursing (ABNS).
