#### About the WOCNCB

The Wound, Ostomy and Continence Nursing Certification Board is a professional organization dedicated to providing consumer safety and protection by offering credentialing in the areas of wound, ostomy, continence and foot care nursing to registered nurses who meet WOCNCB's stringent qualifications and pass its certification examination. WOCNCB certified nurses provide quality care to patients in a variety of settings, including hospitals, long-term care facilities, and home healthcare. The WOCNCB has certified more than 5,300 nurses worldwide.
