The WOCNCB announces it will release a practice test, the Self-Assessment Exam (SAE) for those seeking certification as a Certified Foot Care Nurse (CFCN®). The SAE will be available for purchase on Feb 3, 2006.

The SAE will contain 40 practice questions, the correct answers and references to the answers. This will be a handy study tool that prepares a candidate to sit for the CFCN certification exam. Candidates will be instructed how to access the SAE via the www.wocncb.org website.

The Wound, Ostomy and Continence Nursing Certification Board is a professional organization dedicated to providing consumer safety and protection by offering credentialing in the areas of wound, ostomy and continence (WOC) care nursing to registered nurses who meet WOCNCB's stringent qualifications and pass its certification examination. WOC certified nurses provide quality care to patients in a variety of settings, including hospitals, long-term care facilities, and home healthcare. The WOCNCB has certified more than 4,600 nurses in the United States.

For more information, contact the WOCNCB, (888) 496-2622, info@wocncb.org or visit the www.wocncb.org website.
