The Wound, Ostomy and Continence Nursing Certification Board (WOCNCB) welcomes J. Frank Perdue as its newly appointed Public Member, to begin a two-year term in January 2006.

As its public member, Mr. Perdue will represent the interests of the consumers who utilize the services of wound, ostomy and continence nurses. Mr. Perdue is employed at the Delaware National Bank as its Senior Vice President. Mr. Perdue is a board member with various chambers of commerce, serves on the Council on Real Estate Appraisers for the State of Delaware, and is an active member and officer of the Nanticoke Rotary. We look forward to adding his input into the WOCNCB Board's activities.

The Wound, Ostomy and Continence Nursing Certification Board is a professional organization dedicated to providing consumer safety and protection by offering credentialing in the areas of wound, ostomy and continence (WOC) care nursing to registered nurses who meet WOCNCB's stringent qualifications and pass its certification examination. WOC certified nurses provide quality care to patients in a variety of settings, including hospitals, long-term care facilities, and home healthcare. The WOCNCB has certified more than 4,600 nurses in the United States.

For more information, contact the WOCNCB, (888) 496-2622, info@wocncb.org or visit the www.wocncb.org website.
